**FINAL PAYMENT ORDER**

On September 27, 2007, the court received a request for final payment and an accompanying itemized time sheet and statement (together the "Statement") from special master Vikramaditya Khanna. (See Statement, Ex. A.) The statement reflects that the special master spent 33 hours on this case from August 2, 2007 to September 7, 2007 and has therefore incurred \$19,800.00 in additional fees since the interim payment. Additionally, the special master also incurred \$842.40 in travel expenses relating to the July 2007 hearing. After reviewing the Statement, the court is satisfied that the fees and expenses incurred are reasonable. Accordingly,

IT IS ORDERED that the parties remit their final payments to the special master by **October 15, 2007**. Pursuant to the court's order appointing the special master, Petitioner Satyam Computer Services, Ltd. shall pay \$5,160.60, which is 25% of the fee,

and Respondent Venture Global Engineering, LLC shall pay \$22,981.80, which is 75% of the fee plus the \$7,500.00 that remains owing from the interim payment order.<sup>1</sup>

<sup>1</sup>In the court's interim payment order, the court ordered VGE to pay \$31,200.00. VGE remitted \$23,700.00 to the special master, which is \$7,500.00 less than the amount owing. VGE appears to have mistakenly subtracted \$7,500.00, which was the amount of its retainer, from the special master's interim payment without realizing that the special master had already done so.
